Criminal Threatening (w/firearm)

CPD Case# 15-21613-OF

CONCORD, NH – On May 20, 2015 at approximately 2:55 PM police were dispatched to the area of Thorndike Street and Pierce Street for a 911 call that a weapon had been pointed at two juveniles.

Upon arrival police made contact with an adult, who said that at approximately 2:30 PM two juveniles ran into her house to report that a man had just pulled a gun on them.

Police spoke with the juveniles, who said that while near the corner of Thorndike Street and Pierce Street they saw a white male wearing sunglasses look at them. The male was standing at the opposite corner of Thorndike St. and Pierce St. facing easterly. The juveniles said that the male said “wassup” (What’s up?) to them and they ignored him. He reportedly said “wassup” a second time, to which the juveniles turned and responded in kind. At this point the juveniles said the male subject pulled a gun out from somewhere in his waist and pointed it right at them. The juveniles said that the male appeared to be on his cell phone at the time.

Upon seeing the gun, both juveniles fled the area. One of the juveniles reported seeing the male subject walk down Thorndike Street, west towards South Street.

The juveniles described the subject as a tall and skinny white male, bald, in his 20s or 30s, wearing sunglasses, and a Gucci jacket. The Gucci jacket was described as green, red and black

that was similar to a windbreaker that zips. The subject was also described to be wearing some chains around his neck. The gun was described as being silver and large.

The Concord Police Department has recovered a photograph from nearby surveillance video and is asking the public to assist in identifying the individual of interest depicted in the photograph.
